

TSA LEAP LEADERSHIP RESUME – TEAM EVENT

The resume must be typed using 11pt Arial or Calibri font. For more information about how to complete the resume, visit this link: (<http://www.tsaweb.org/LEAP-competition-engagement>)

TEAM IDENTIFICATION

Team ID: 104626

Competitive event: Webmaster

Level: High School

LEADERSHIP EXPERIENCES (specific to a competitive event)

- Team members deliberated amongst themselves and devised an efficient division of tasks that would result in the highest quality final product. (DO)
- Team coordinated through the utilization of an online team communication service. (DO)
- Project manager set due dates for all team members; by the due dates, all team members completed their assigned task to the best of their ability. (BE)
- Team members took initiative and organized an information briefing meeting to discuss the design brief and communicate the core elements that the team would pursue in the coming months. (KNOW)
- While outlines were provided by the Project Manager to accomplish the task in each section of the websites, members were also given the freedom to research and present topics that they thought were interesting and a good addition to the website. (DO)

LEADERSHIP EXPERIENCES (connected to one or more of these categories: Leadership Roles; Community Service/Volunteer Experiences; Leadership Development/Training; College/Career Planning)

Leadership Roles:

- Team members delegated roles to each person (Captain, Project Manager, Web Developer, Lead Researcher/Writer) to ensure maximum productivity. (DO)
- Leaders in each section communicated effectively with team members and took steps to introduce the principles of their respective sections to other team members. (DO)
- Experienced team who attended the State competition each year taught new team members how to effectively present information and how to create an impactful website. (KNOW)

College/Career Planning:

- Many team members who are planning to pursue technology in college were able to learn the principles of web design and research. (DO)
